

## Tech-B1 Subaru Release Bearing and Steel Repair Sleeve Kit

**Application...**Various Subaru

**Clutch Kit.....**15-004, 15-010, 15-012 & 15-018

**Subject.....**Quill Repair Sleeve Kit

M-Pact offers a new releaser and bearing retainer repair sleeve in the above Subaru Kits.

**The Problem:** Excessive wear on the release bearing retainer (quill).

**The Solution:** Steel Retainer Sleeve that gives the release bearing a new surface to slide on.
